Experience

React Developer

Plume - Learning Technology Agency

Jun 2022 - Dec 2022 (7 months)

-Developed an e-learning platform estimated to be used by 100,000+
users as well as a platform for admins to manage the content.
- Used Axios and React Query for state management and REST API calls
as well as conditional rendering.
- Created reusable components and custom hooks.
- Responsive and mobile first approach.
- Managed page routes using React Router and slugs.

Javascript Developer

Learn&Co Ltd | Language Agency

Jan 2022 - Jul 2022 (7 months)
- Worked in a team following agile workflow.
- Created reusable components and custom hooks which reduced the code significantly.
- Used Axios for API calls and hooks to manage state.
- Managed page routes using React Router.
